

FY 12/13 OCS TRAINING DATES

OCS applications are due no later than three weeks prior to the first Pre-OCS drill of the course you want to attend. The earlier applications are submitted, the better. Exceptions *may* be made on a case-by-case basis.

Pre-OCS drills are held Four months prior to each course. The final Pre-OCS drill of each cycle is mandatory.

Any DMOSQ Soldier currently in the NCARNG may attend Pre-OCS upon obtaining his or her unit's permission and submitting an OCS application, beginning a maximum of four months prior to the first Pre-OCS drill of the course he or she wants to attend.

Traditional OCS is 14 months, June thru August: two weeks for Phase I, one year of one weekend/month drills for Phase II, and two weeks for Phase III.

Winter Accelerated is 8.5 weeks, January through March at Fort McClellan, Alabama.

Summer Accelerated is eight weeks total. Phase I is two weeks in June at McCrady Training Center, Eastover, SC. There is usually a week break between Phase I and Phase II, during which Summer Accelerated Candidates return to their homes. Phases II thru III are six weeks June thru August at Fort McClellan, Alabama.
